A motivated, adaptable, responsible and personable student pursuing A B.Tech in Computer Science and Engineering at G H Raisoni Institute of Engineering and Technology, Nagpur. As a beginner in this field , I would like to learn as a intern.

Experience

Cyber Security Intern at SmartKnowers *Feb 2022 - Mar 2022*
- Troubleshot problems and diagnosed system faults.
- Identified issues, analyzed information and provided solutions to problems.
- Configured and maintained database servers, ensuring security.
- Independently analyzed, solved and corrected issues on databases, networks, software and hardware in real-time.

Network Administrator Intern at Xceller IT Services *Aug 2022 - Oct 2022*
- Developing a network architecture and managing it.
- Enabling router and switches for secure connection.
- Managing the network and making it as compact, secure and usable as possible.
- Troubleshooting errors in network.

Cyber Security Intern at Edunet *Jan 2023 - Mar 2023*
- Developing and maintaining virtual labs for testing on different systems.
- Collaborating with cross-functional teams to gather information required for penetration.
- Exploiting vulnerabilities in webapp and servers.
- Reporting about vulnerabilities and providing solutions for them.

Python Developer Intern at Internpe *May 2023 - Jun 2023*
- Developing and maintaining applications using Python and other related technologies.
- Collaborating with cross-functional teams to create high-quality products.
- Implementing analysing code and fixing errors.
- Participating in code reviews and providing constructive feedback to other developers.
